

Summer is around the corner and with it, our 8th annual Summer Concert Series! Everything you need to know about the Outdoor Amphitheater and our Summer Concerts is right here - except the entertainment, which you'll find on the Special Events page. Enjoy unforgettable evenings of music, comedy and more outdoors under the stars, with star attractions you won't want to miss.

The Amphitheater

Our venue is custom built in the East Parking Lot outside the casino, with a 5,000-seat capacity, state-of-the-art sound and lighting, and two large video screens flanking the main stage. Floor seats are individually assigned chairs with back support; bleachers to the rear are open seating.

Admission

Still need tickets? If available, go to the Box Office inside the casino near the Rewards Center. Or get tickets online at thundervalleyresort.com. Event gates open two hours before each event, with access limited to food and beverage stand, merchandise vendors, and the Thunder Rewards welcome center. Access to seats usually takes place about an hour before the event is scheduled to begin. For your convenience, premium His and Hers Portable Restrooms are located inside the venue. Gates close 45 minutes after the event's conclusion.

Parking

Plenty of free parking is available at Thunder Valley. Disabled parking and a limited number of open parking spots are located in the East Parking Lot surrounding the amphitheater. A 3,700-space parking structure with complimentary valet or self-service is located at the West end of the property, affording a convenient stroll through the casino to access the amphitheater at the east end. The South Parking Lot is located directly across Athens Ave. from the venue, with stoplight crossing lanes. For your safety, be mindful of traffic and use the "walk" signal or follow traffic police personnel instructions.

Permissible and Prohibited Items

All guests are subject to search upon entering the amphitheater. Guests may not bring any alcoholic beverages inside the venue. Please, no glass, can or cooler containers. Sealed water bottles or non-alcoholic beverages purchased at the casino are permissible. No backpacks or purses larger than 14". Cameras for personal use (no detachable lenses) are no problem; please be courteous of blocking the views of others. Professional photography equipment - including detachable lenses, tripods, telephoto lenses, special flash gear - is not permitted. Seat cushions are welcome, but please leave your pets at home. Smoking is permitted only in posted, designated areas. No weapons, umbrellas, fireworks, laser pointers, air blasters, horns or musical instruments, nor anything else not listed that typically would not be admitted to any public event.

Food and Beverages

You'll find beverages for sale both inside the entertainment area and at the back pre-show area. We offer select cocktails, beer, wine, water and sodas. We're pleased to partner once again with Sacramento Mobile Food trucks. Each concert evening, the SactoMoFo association will send up to four featured truck vendors to sell specialty foods. The food trucks open two hours before each scheduled event - [click here](#) to learn more about SactoMoFo's association of delicious food purveyors. Inside the casino, you'll find a Grab 'n Go food station by the Poker Room, offering beer and hot dogs. High Steaks Steakhouse, Thunder Cafe, Red Lantern, The Buffet and the Food Court also offer great dining opportunities before or after the show.

Weather

Generally, summer evenings in Lincoln begin to cool off as the sun sets, replaced with a gentle cooling Pacific breeze. Seats are usually in the shade by concert time. It can get a bit chilly, so you may want to bring a lap blanket or light wrap.

Disabled Services

Disabled self-parking is available around the east parking lot just outside the venue. Valet parking is available at the west end of the casino, in the parking structure. Please ask our Team Members for assistance in locating wheelchair escort help and directions to seating areas.

Guests Under 21

Guests must be 21 to attend. However, for most events, guests between 13 and 20 may attend when accompanied by a parent or legal guardian. Check our website for possible age restrictions.

Designated Driver Program

Thunder Valley supports Designated Driver initiatives by the California Office of Traffic Safety to promote safe and sober travel. Make plans before you arrive so that everyone has a great evening and arrives home safely.
