Late entry and re-entry is allowed before the start of level 7 for \$400. All levels last 30 minutes. 1 in 7 players awarded a \$2,500 WPTDS Championship Entry. Satellite ends when the number of players remaining is identical to the number of seats awarded. Any prize money short of winning a seat is awarded to the players eliminated during the reverse shootout. Satellite winners will be entered into the flight of their choice. Players must be registered in the \$2,500 WPTDS Championship to transfer the satellite entry.

NO HAND FOR HAND/ONE AND DONE FORMAT: At predetermined points in the tournament, the chip leader(s) are removed from play and awarded their seat. When the number of players left to be eliminated is equal to the final number of tables to be used, there will be a total redraw of balanced tables and the tournament will run as a reverse shootout. Once one player is eliminated, the rest of that table receives their seat (see chart).
